Curriculum

Dance On Edge provides a strong technical base for its dancers to build on by incorporating the ADAPT and RAD syllabuses into its program.

Mom & Tot (18 months -3yrs plus mom or dad)

This 8 week session is where mom & child learn about body & movement. It incorporates creative dance in a fun class where the children can interact & play.

Pre School (3-4yrs)

This class is a great introduction to dance. It introduces the beginning stages of ballet and tap technique through music, movement, singing and tumbling.

Tap (5+yrs)

Tap introduces rhythm and musicality to dancers. Young dancers love the noise their feet make, while creating different rhythms challenges older students.

Jazz (5+yrs)

Jazz is an upbeat discipline that is based on technique, movement and increasing flexibility. This high energy dance form incorporates the latest music and styles.

Ballet (5+yrs)

Ballet requires creativity, discipline & concentration. Classical training is the basis and integrates free movement & character work with an emphasis on performance.

Kinder Combo (5 & 6 yrs)

This introduction class is a combination of tap, jazz and ballet. The basic technical aspects of each discipline will be introduced in this class.

Musical Theatre (6+yrs)

Musical Theatre incorporates dancing, acting and singing/lip-synching to create mini musicals such as "Annie" & "Cats". Students portray characters and learn about improvisation. This class contains a dramatic aspect & characterization.

Hip Hop (7+yrs)

This is a form of street dancing that is in all the popular music videos. Hip Hop combines the latest dance styles and music.

Stretch & Conditioning (7+ years)

Want to increase flexibility and gain strength? This class will benefit students that take any other discipline as it will help students develop flexibility and build their core strength. It is strongly recommended for all competitive, intensive & exam participants.

Lyrical (minimum dance level required)

This class is a combination of jazz and ballet technique with a focus on balance, extension and control while demonstrating emotions and feelings through movement. Lyrical dance encourages the development of style.

Adult Classes

Adult classes are offered in a variety of disciplines depending on the session. They are offered as either an 8 week session or full year course. These are introductory classes that create body awareness, strength and allow one to keep fit. It is a great place to socialize and enjoy yourself.

Facility

Dance On Edge Inc. is a fully modern dance studio with 3 rooms. Each is equipped with a raised dance floor, ballet bars and mirrored wall.

Faculty

The owner, Miss Patti O'Brien is a certified Royal Academy of Dance (RAD) and ADAPT teacher. She has extensive performing and teaching experience, having achieved her ADAPT Advanced 2 Jazz, Al Gilbert Tap 8 and RAD Intermediate Certificates. Miss Patti is an active member of the non-profit Wild Rose Dance Arts Association and the committee chairman for the Heather Simpson Memorial Award in Dance. Miss Patti has travelled to Vancouver, Los Angeles, Phoenix and Las Vegas to study with dance masters and has also performed in Disneyland at Disney's Magic Music Days.

Dance On Edge has a fully qualified and well trained staff. The teachers are excited to be part of Dance On Edge and to share their ideas and experiences with their new and old students.

Viewing Week

In December parents are welcomed into their child's dance class so they can see how their child is progressing.

Recital

In the spring the dancers get a chance to perform on stage for an audience. Each class shows off a choreographed routine in full costume. The entire studio gets to showcase their talent in front of their friends and family.

Exams

Exams are offered in tap, jazz & ballet to selected individuals that have a good work ethic and show interest in challenging themselves further. Exams are a great experience for dancers and give them a sense of accomplishment.

Competition

The competition program is for dancers with above average talent, interest and commitment. The teacher selects these individuals and gives them an opportunity to compete and showcase their talent.

Performance Team

This is an opportunity for dancers aged 7-17 years to gain more performing experience by participating in community showcases. Dancers will be committing to a team and will be responsible to attend rehearsals on a regular basis. Dancers should join the Team to challenge themselves to develop their performance skills and enhance their dance training. Dancers who train in any discipline at Dance On Edge are welcome to join.
